

THE INSTITUTE FOR DAYANIM

“YISSOCOR-ZVULUN” CONTRACT

Chazal have taught us that those who support Torah share in the reward accorded to those who study Torah. Furthermore, Torah study yields the highest reward both in this world and in the world to come. It even enables those who study or support Torah to return at the time of techiyas hamaisim. (See the Shem Olom of the Chofetz Chaim in Sha’ar Hachzokas Torah Chapter 13-16). Moreover, the Torah attaches the highest priority to the establishment of a proper legal system (See below).

Therefore, it is hereby agreed that _____ will donate _____ to the Institute for Dayanim in order to support the Torah study of Rabbi _____ at the Institute.

As a result, _____ will be appropriately awarded for the Torah study of Rabbi _____ at the Institute.

This agreement in no way detracts from the reward that will be received by the one who studies Torah as we have been taught by Rabbi Chaim of Volozhin and the Chofetz Chaim.

In testimony to this agreement the undersigned have affixed their signatures on _____.

One who judges properly is a partner with Hashem in his creation of the world.
(Shabbos, 10A)

The world is sustained by Truth, Justice, and Peace.
(Avos 1, 18)

Hashem loved Abraham because he taught his progeny to live a just and honest life.
(Tur Chosen Mishpat, Siman 1)

The fate of the generation of the flood was sealed because of theft.
(Sanhedrin 108, 1)

The Jewish nation is guaranteed to achieve success in the wars if justice is carried out.
(Rashi in Devorim 20, 1)
